

DORDT COLLEGE

2011-12 Parking Information

Sticker color designations

Dordt College associates are given colored parking stickers to designate where they can park. Faculty and staff are given black permits, campus housing residents are given red permits, and commuters are given blue permits.

Curb designations

The painted curbs on campus further designate restricted sections of parking. Green is for staff, blue is for handicapped, red is for motorcycles, and yellow curbs signify where parking is not allowed.
