

Research, Ethics, and Compliance Training: Human Subjects Research

Institutional Review Board | Dordt University, Sioux Center, IA

All researchers at Dordt using human subjects must complete appropriate ethical training with documentation. We use The Collaborative Institutional Training Initiative (CITI Program) to meet this requirement. If you have completed ethical training in another format, please contact the [IRB Chair](#) about how to proceed.

Instructions:

1. [Register](#) for CITI.
2. Select Dordt University as your affiliation.
3. For Question 1, Human Subjects Research: Select the option that best describes your research type.
 - a. Questions 2-8 will enroll you in optional learning modules. You may choose to skip these questions.
4. Complete and pass all required modules for that course.
5. Your completion record will be automatically recorded and sent to the IRB.
