## Financial Assistance

Assistance for Canadian students includes the Institutional Grant, Distance Grant, Alumni Grant, Century Need-Based Scholarship, Heritage 21 Grant, Heritage 21 Loan, Canadian Grant Program, and the Dordt College Student Employment Program. (For more information on these programs, see the Financial Aid website at [dordt.edu/financial\\_aid](http://dordt.edu/financial_aid).)

The Canadian Grant Program is an attempt by Dordt College to assist Canadian students.

The Student Employment Program provides an opportunity for Canadian students to earn spending money during the school year. Wages begin at \$8.75/hour and increase based on number of hours worked at a previous position. Total earnings depend on the number of hours the student is able to work. An application for employment is found online at [dordt.edu/cgi-bin/admissions/financial\\_aid/student\\_employment/on\\_campus\\_app.pl](http://dordt.edu/cgi-bin/admissions/financial_aid/student_employment/on_campus_app.pl). This should be completed and returned by **June 1, 2017** in order to be included in the first round of placement.

All students should contact their provincial government for information on Canadian loans and grants. A list of the departments to contact can be found on the reverse side of this page.

## Costs

For the 2016-2017 school year, costs are:

Tuition	\$28,630
Activity Fee	500
Room	4,500
Board	<u>4,230</u>
TOTAL	\$37,860

Remember, these figures are for 2016-2017. They may be slightly higher for the 2017-2018 school year.

Charges for each semester (tuition, fees, room, and board) are due at the beginning of the semester. Those who do not make full payments will be subject to a finance charge of .75% per month (9% annually) on the unpaid balance. This amount must be paid before transcripts can be released and prior to registration for the next academic semester.

In addition, the student must consider indirect costs. These expenses include books, travel and personal spending, and vary greatly from student to student.

This form should be filled out and sent in after **October 1, 2016, but before April 1, 2017**. Applications received late will be considered, but funds are more limited for late applicants.

If you have any questions while completing this form, feel free to contact the Financial Aid Office at 1-800-34DORDT.
