

# Dordt University Bachelor of Accounting

Information included is accurate as of November 1, 2021

Dordt University prepares students for certification and licensure within the state of Iowa. Students may want to attain certification within a different state according to their residence. States may vary in their licensure requirements. Below are the determinations Dordt University has found for each state in which our program meets the educational requirements for professional licensure. Three options are indicated, yes, meets the licensure requirements, no, do not meet the requirements, or no determination has been made. Dordt University is accredited by the Higher Learning Commission. Dordt University has accredited programs in nursing, education, social work and engineering as well. Dordt University accounting program meets all the requirements for an individual to sit for the CPA exam in Iowa. More information can be found about licensure and exam on the National Association of State Boards of Accounting website. If you reside and work in the United States, you will be required to be licensed in the state where you live and practice accounting.
