Financial Assistance

The purpose of the International Financial Aid Form is to help Dordt College obtain standardized, complete and accurate information about the funds available to international students who want to study here. When this form is completed an applicant, who has been admitted to Dordt College, may obtain authorization and issuance of a Certificate of Eligibility (Form I-20) from the college.

Assistance for International students includes academic and activity scholarships, International Student Tuition Grant, and the Dordt College Student Employment Program. (For more information on these programs, see the Financial Aid and Scholarships brochure.) There maybe some private/alternative loan programs available to international students, if the student has a creditworthy U.S. co-signer.

The Student Employment Program provides an opportunity for International students to earn spending money during the school year. Wages begin at \$8.75/hour and increase based on number of hours worked at a previous position. Total earnings depend on the number of hours the student is able to work. An application for employment is found online at <http://www.dordt.edu/student-employment-application>. This should be completed and returned by **June 1, 2019** in order to be considered in the first round of placement.

Costs

For the 2018-2019 school year, costs were:

Tuition	\$30,330
Activity Fee	\$540
Insurance	\$400
Room	\$4,940
Board	<u>\$4,650</u>
TOTAL	\$40,860

Remember, these figures are for 2018-2019. They may be slightly higher for the 2019-2020 school year.

Charges for each semester (tuition, fees, room, and board) are due at the beginning of the semester. Students who do not make full payments will be subject to a finance charge of .75% per month (9% annually) on the unpaid balance. This amount must be paid before transcripts can be released and prior to registration for the next academic semester.

In addition, the student must consider indirect costs. These expenses include books, travel and personal spending, and are very different from student to student.

This form should be filled out and sent in after **October 1, 2018**, but before **April 1, 2019**. Applications received late will be considered, but funds are more limited for late applicants.
