

Mi-STEM Ed

Mini STEM Education Internship

Are you:

- A Dordt or NCC student who is not a major in both education and a STEM field? (Math, Technology, Engineering, or Math)
- Interested in learning more about STEM education?
- Interested in teaching Science, Technology, Engineering, or Math at the high school level?

\$100 Stipend available for students who:

- Spend 7 hours in an approved classroom
- Write a one-page paper reflecting on the experience

Questions? Talk to Valorie Zonnefeld valorie.zonnefeld@dordt.edu

Sponsored by an NSF Noyce grant
